

Allen County, Ohio

SMSCR Fee Schedule

Adopted by Allen County Board of Commissioners, Resolution 726-16 on November 1, 2016

All Permit Fees shall be made payable to: Allen County Engineer

Permit Application and Plan Review \$ 1,000.00

- Required for all projects excluding single family residential.

Single Family Residential Lot \$ 200.00

- No Site Inspection Fee Required

Site Inspection Fees: \$400.00 per Month

- The duration of the site inspection fee shall begin at the initial clearing and grubbing of the site and shall end at the time of final grading and site stabilization.
- The construction timeline must be specified on the permit application.
- The site inspection fee shall be required for all building sites excluding single family residential.
- Projects extending beyond the specified project duration may incur additional inspection costs at the specified site inspection fee.
- For projects completed in phases, these fees will be assessed for each phase of the construction
- Upon issuance of the Notice of Termination (NOT) and certification that the requirements of the permit have been met, the permit holder may file a request for return of any site inspection fees not expended during the inspection of the project.
